

The background of the advertisement is a stylized, glowing blue illustration of a human torso, focusing on the cardiovascular system. The heart is depicted in a bright orange-yellow color, contrasting with the blue tones of the rest of the body and the background. The network of arteries and veins is visible, branching out from the heart. The overall aesthetic is modern and medical.

## Philips Rental deferred payment options now available

**During these challenging times, we are here for you. Our flexible financing options address your challenges and help you immediately access Philips solutions you need.**

Philips Healthcare has partnered with BOQ Finance to help you keep your practice up-to-date with the latest medical technology through a Rental Agreement. This is a great way to access new equipment without the added pressure of any upfront capital outlay, leaving you more time to focus on your practice and looking after your patients.

**Enjoy the following benefits with a rental agreement:**

- Fixed payments for the term of the lease when buying a new machine
- Payments could be treated as an operational expense\* and may be tax deductible
- Ability to either upgrade the equipment to the latest available technology or return the equipment at the end of the term
